

Lightning Literature and Composition

Grade 2

Scope and Sequence

Lightning Literature and Composition is not written in conjunction with the Common Core State Standards (CCSS); however, the content within the curriculum does meet many of the Standards. In an effort to help you decide what and how the Lightning Lit curriculum teaches, we are providing information showing what is taught and how it does apply to the CCSS.

How to read the CCSS notation: the *Strand* is listed first, then the *Grade level*, and finally the *Standard*. For example, L.1.2a stands for Language, grade 1, standard 2a.
